## ABOUT ME

I am a BS Computer Science student at BUET Khuzdar with a 3.94/4.00 CGPA and a class topper. I have skills in Data Science, AI, web development, programming, databases, and mobile development. I am a hardworking and motivated learner with leadership and teamwork experience. I aim to pursue a Master's in Data Science and Artificial Intelligence and build useful solutions using technology.

## WORK EXPERIENCE

05/03/2024 - 25/11/2024 - KHUZDAR, PAKISTAN

### **PHOTOGRAPHER** STUDENT'S DEVELOPER SOCIETY – BUETK – KHUZDAR, PAKISTAN

As a **Photographer**, I covered university events, workshops, competitions, and other activities. I captured and organized photos for the society's records and social media. I also worked with the team during events and helped promote activities through good-quality photographs. This experience improved my creativity, teamwork, communication, and photography skills.

05/03/2024 - 25/11/2024 - KHUZDAR, PAKISTAN

### **VOLUNTEER HEAD** STUDENT'S DEVELOPER SOCIETY – BUETK – KHUZDAR, PAKISTAN

As a **Volunteer Head**, I led a team of volunteers during university events and activities. I helped organize workshops, competitions, and other student events, assigned tasks to volunteers, and worked with students and teachers to make sure everything went smoothly. This experience improved my leadership, teamwork, communication, and event management skills.
